

## Teaching Larger Classes - Open Classroom Dates

“Open Classroom” is a chance for educators to watch large class teaching in action. During pre-arranged times, different faculty/instructors with experience teaching large classes will open their doors for others to observe.

Select classes will have a short follow-up to ask the faculty/instructor questions or discuss any issues about teaching in large classes (\*).

Please send a quick email to [mneil@wlu.ca](mailto:mneil@wlu.ca) indicating which class(es) you wish to attend.
